Farm to table tops

DID YOU KNOW?

Last year **BREADA** hosted the **Toyota Farm to Table Tour** as one of only **12 locations nationwide** selected by Toyota to represent the Southern region. In addition, **BREADA** will receive a **\$52,000 grant from the USDA** to incorporate the use of EBT machines—giving Louisiana residents in the 11 parish region the opportunity to spend LA Purchase dollars at our three Red Stick Farmers Markets locations. We want to continue the momentum!! See our dynamic impact in action: www.youtube.com/breadaweb.

“MEET ME AT THE PEACH TABLE!”

Farm to Table Tops is a great community project designed to educate children and the community about the importance and vitality of our local food system. It's a unique program that incorporates the visual arts by showcasing local youth talent who create hand-painted table tops for use in the market. This year promises to be another success but we need your help!

As we wind down our fundraising campaign, we're seeking additional donations to ensure we have the resources to continue building awareness for the market through other vital programs such as the **Red Stick Farmers Market**.

WILL YOU HELP?
